

Version effective date: June 27,2022

We have a valid contract with all subjects who use our products and services (hereinafter referred to as "users") on the use of products and services and related services. Once the user installs and uses our product, it means that he is bound by the conditions of the agreement.

1. Instructions for use

(1)Our products provide software services to the majority of users. The product itself does not modify or edit the content transmitted by the user.

(2)Please note that any photos, graphics, videos or other materials uploaded and shared through this service, whether publicly or privately transmitted, shall be borne by the providers and users for their uploading and use behaviors. Our products cannot control the content transmitted through this service, nor can we fully control the user's usage behavior, so we cannot guarantee the legality/correctness/completeness, authenticity or quality of the content. Users agree to use our products at their own discretion and at all risks.

(3)If the user's use of our products does not comply with this agreement, we will have the right to terminate the provision of some or all of the services to the user without prior notice to the user after making a judgment.

2. Ownership

We retain complete and indivisible ownership and intellectual property rights to the following content and information:

(1)Our products and services and all elements thereof, including but not limited to all content, data, technology, software, code, user interface and any derivative works related thereto;

(2)User information;

(3)Any information and feedback provided by users to our products related to their services.

Without our permission, the above materials may not be freely distributed through any channel. All rights to our products belong to the copyright owner of the software. Without the permission of the copyright owner of the software, users are not allowed to reverse engineer, decompile or disassemble the software, or otherwise discover its original code, and implement any suspected copyright infringement.

3. User guarantee

The user warrants against misuse of the service or software, such as:

(1)Copy, modify, host, sublicense or resell the Services or Software;

(2)Support or allow others to use your account information to use the service or software;

(3)Use software to build any type of database;

(4)Access or attempt to access the Services or Software through any means other than the interface provided or authorized by us;

(5)To circumvent any established access or use restrictions for the organization's specific service or software use;

(6)Share content or engage in conduct that infringes anyone's intellectual property rights ("Intellectual Property Rights" means copyright, moral rights, trademarks, trade dress, patents, trade secrets, unfair competition, rights of privacy, rights of publicity, and any other proprietary rights);

(7)Upload or share any unlawful, harmful, threatening, abusive, infringing, defamatory, defamatory, indecent, obscene, profane, invasive of another's privacy or hate-inducing content;

- (8) Attempt to disable, damage or destroy the Services and Software;
- (9) Upload, transmit, store or make available any component or code that contains any virus, malicious code, malware, or any other component designed to impair or limit the functionality of the Service or Software;
- (10) Disrupting, interfering with or organizing any other user to use the service or software (such as stalking, coercing or harassing others, instigating others to commit violence or harming minors in any way);
- (11) Participate in the transmission of spam, pyramid schemes, phishing or other unsolicited emails;
- (12) Advertise any other products or services on our Services without our prior written permission;
- (13) Use any data mining or similar data collection and extraction methods on the Services.

4. Intellectual property protection

We (and our licensors) are the sole owners of all right, title and interest in the Services or Software. Except as set forth in these Terms, we do not grant you any patent, copyright, trade secret, trademark, or any other rights to items in the Services or Software. We reserve all rights not granted under these Terms.

5. Information and Privacy Protection

(1) Any data information (including but not limited to account information, usage records and other data information) generated by the user during the use of the product and stored in the client or server of the product belongs to the derivative data generated during the operation of the relevant program.

(2) Protecting user privacy is one of our basic principles. We will protect users' personally identifiable information, the content of personal online communications, and other private information that can directly identify users. The data and information described in this agreement, that is, the data and information generated during the user's use of the software, do not belong to the privacy information referred to in this agreement. During the process of using the service, we may collect some personal information of the user. Without the consent of the user, we will not disclose the personal information of the user to any external company, organization or individual, except in the following cases:

- We have obtained your express authorization;
- To improve the quality of products and services;
- According to the requirements of relevant laws and regulations, we are obliged to disclose;
- Judicial authorities or administrative authorities require us to provide them based on legal procedures;
- In order to safeguard the public interest and our legitimate rights and interests, the disclosure is made within a reasonable scope.
- As otherwise provided by laws and regulations.

6. Termination of service

(1) We have the right to temporarily or permanently terminate all or part of the software services for any reason at any time without prior notice. We do not assume any responsibility to users and any third parties for the termination of software services.

(2) We have the right at any time, for any reason, to temporarily or permanently terminate the user's account and password to use the services of this website, or to delete or transfer the

content stored or published by the user on this website without prior notice, and to the user. and any third party shall not bear any responsibility.

7. Other

(1) This agreement will take effect as soon as it is published. We have the right to modify the content of the agreement at any time, and the revised results will be published on our product official website. If you do not agree with the modifications we have made to the relevant terms of this agreement, the user has the right to stop using the service. If the user continues to use the network service, it is deemed that the user accepts the modification made by us to the relevant terms of this agreement.

(2) The conclusion, execution and interpretation of this Agreement and the resolution of disputes shall be governed by Chinese laws and subject to the jurisdiction of Chinese courts. If there is any dispute between the two parties on the content of this agreement or its implementation, the two parties should try their best to resolve it through friendly negotiation; if the negotiation fails, either party may file a lawsuit in the people's court where we are located.

(3) This agreement constitutes a complete agreement between the two parties on the agreed matters in this agreement and other related matters. Except as provided in this agreement, it does not confer other rights to the parties to this agreement.

(4) If any provision of this Agreement is wholly or partially invalid or unenforceable for any reason, the remaining provisions of this Agreement shall remain valid and binding.
